## Party Information and Policies:

- Check-in at Window #1 in the Admission Barn on the day of your party and pay for selections.
- **Picking Parties do not require or include Fall Fun Fest tickets, and they do not include a Party Pen.**
- Welcome Table: Gaver Farm provides a tent, 6-foot Welcome Table, tablecloth and 2 chairs for the Party Host to greet your guests and hand out picking items and instructions. You need to reserve the Welcome Table in advance, subject to availability.
- Apple Picking Parties: The host can purchase PYO apple bags for their guests. Each apple bag admits a limit of 4 guests (Peck) or 6 guests (1/2 Bushel) into the Orchard. Additional guests per bag can be added for \$2 per person (limit of 2 guest additions per PYO Bag). Please consult the Orchard calendar to select a date that the Orchard is open.
- Pumpkin Picking Parties: The pumpkin patch is open every day during our fall season! You can purchase Gaver Bucks cards to cover an amount towards the purchase of your guests' pumpkins.
  - Example: Purchase (15) \$20 Gaver Bucks Cards to give to the 15 families you invite to your Pumpkin Picking Party. You pay \$300 for the Gaver Bucks Cards at check-in and give them to your guests. When your guests check out in the Farm Market, they use the Gaver Bucks Cards like cash to pay for the pumpkins. If they pick out \$26.50 in pumpkins, they pay the difference of \$6.50. Please keep in mind that pumpkins are not permitted inside the Fall Fun Fest area, so guests should plan to check out and take the pumpkins to their car directly after the hayride.
- Sunflower Picking Parties: Sunflowers are in bloom at the beginning of September and this option is subject to bloom availability. Sunflowers are \$2 per bloom. We offer a variety of decorative buckets and packages and can work with you to customize sunflower picking options. Email [office@gaverfarm.com](mailto:office@gaverfarm.com) to customize!
- Gaver Bucks Cards: If you would like to provide your guests with money to spend at the farm, you can purchase Gaver Bucks Cards (let the office [gaverfarm@gmail.com](mailto:gaverfarm@gmail.com) know at least 48 hours in advance so Gaver Farm staff has time to fill them out) for a dollar value of your choice. Guests can spend them anywhere on the farm like cash. They must be used all in one place at one time as change cannot be made for purchases less than the total value of the card.
- Hayrides: Gaver Farm will coordinate an outbound hayride (Farm Market to sunflower field/pumpkin patch/orchard). The hayride will not wait in the field and guests can return to the Farm Market via any available general hayride. If a company is purchasing PYO apple bags for their guests, they will purchase them at check-in and then hand them out to their guests. Private group hayrides can be scheduled anytime from 10 am – 5:30 pm if you have your entire group ready at a specific time. You are welcome to take a free general hayride anytime (weekends 10 am – 6 pm, running continuously; last outbound hayride at 5:30 pm).
- Refund Policy:
  - UNUSED extra wristbands can be returned or exchanged for passes to visit another time. The party host must complete exchanges or returns in person before 6:30 pm on the day of your party.
  - No refunds are given for PYO apple bags or any other additional item.
- Cash or credit accepted, no personal checks. Company checks are permitted.
- You must set up terms and hayride reservations 2 weeks in advance with Laura by emailing [gaverfarm@gmail.com](mailto:gaverfarm@gmail.com).
- Read our Farm Policies & FAQs at [www.gaverfarm.com](http://www.gaverfarm.com) before your visit.
